Expertise Overview

Alex Robertson is an Associate Attorney licensed in Oregon. He works primarily on the commercial lines and construction defect practice teams with specialized areas such as jobsite injury, premises liability, subcontractors and more.

Alex graduated from Willamette University College of Law in 2021. Prior to that, he obtained his undergrad with a Bachelor of Science in Nuclear Engineering from Oregon State University in 2015.

Prior to working at Smith Freed Eberhard, Alex worked in general construction. He also clerked for an insurance defense firm in Salem, OR.

Alex is an Oregon native originally from Baker City, which he says is a hidden gem in Eastern Oregon. He loves to explore the Oregon Coast, hiking, and lifting weights. He also knows how to operate 35mm film projectors, but unfortunately, most theaters have all switched to digital.
